- A minimum of 20 items must be contributed.
- A maximum of 160 items will be accepted per seller number. You may purchase another 160 tags for an additional sets for \$3, just contact us at dealsandstealsconsignment@gmail.com. **There is no need to register again under a different name or number to get additional tags.**

CONSIGNOR NUMBERS:

- **You must register from our webpage dealsandstealsconsignment.com to obtain your consignor number. We use My Consignment Manager for our POS System. If you consign with another sale that uses MyCM, you may email us and you can use your same number. This allows you to transfer items from one sale to another. We use a color-coded system to sort. This system speeds up the sorting process and helps to ensure that your unsold items are being returned in the quickest manner, as well as, getting your checks to you as soon as possible! Deals and Steals Family Consignment will not be responsible for returning items that have been tagged with cardstock not provided by our sale.**

- In order to have your \$7 participation fee reimbursed, you must let us know when you order/register. This is the ONLY way the \$7 participation fee will be reimbursed. Your tags will be **Hot Pink** and ALL unsold items will become the property of Deals and Steals Family Consignment.

RECEIVING:

When you register as a seller, click on check in schedule and chose the day and time that you would like to drop off your items. We will have drop off slots for daytime and night time!

Tuesday, Sept. 24th 2 p.m.-9 p.m.

Wednesday, Sept. 25th 9 a.m.-9 p.m.

Thursday, Sept. 26th 9 a.m.-4 p.m.

Please be prepared to place your items on the sale floor. If you have heavy objects, please bring someone with you; we can not guarantee assistance will be available.

NOTE:

We strongly recommend that you take a moment at drop-off to do one last inspection of your merchandise before placing your items on the sales floor. The lighting in our gymnasium is different than in your home and sometimes tends to "bring out" stains and other faults. Please take a second look and don't allow undesirable items to make it to the floor.

Thank you for understanding that our goal is to provide shoppers with top quality choices! Therefore, Deals and Steals reserves the right to refuse any items that we do not feel meet our sale standard. \$1 will be deducted for each soiled, stained, torn or out of season item that we pull from the sales floor. In addition, items with missing buttons, broken zippers, etc. will be removed from the floor and charged.

We are encouraged by the feedback from thousands of shoppers who are pleased that we are attempting to weed out undesirable items, leaving more spacious racks for ease in shopping. As a consignor, you want shoppers to see your items - which is less likely if they have to pick through stained, torn, etc. items that are crowding the racks. Thank you in advance for a first-class sale!

TAGGING:

Login to our your account at dealsandstealsconsignment.com and click on enter items.

TIPS FOR CREATING TAGS

Here are some suggestions based on our experiences:

First: get your items ready. Clothing: check for stains, hang, bag, etc. Toys, games, books, furniture, etc.: gather all pieces, check for batteries, etc.

For clothing the system asks for info in the following order: price, half price, donates, size, description, gender.

Either write a list of your items and then enter it all into the computer, or have your items next to you as you enter them. Find what works best for you.

We suggest you enter 8 items at a time, print and tag. Always print in multiples of 8, since 8 items will fit on one sheet of cardstock.

When you are ready, enter info into the computer and print tags at your leisure. Doing all or most at once takes less time. You can enter your information up until September 26th at 1 p.m.

- **Next, contact us by email dealsandstealsconsignment@gmail.com or 731-935-4116 and we will make arrangements to meet you to receive your card stock in Madison County. If you live outside Madison Co., we will be glad to mail your card stock for \$4 for each set.** The \$7 participation fee, for your first set of 160 tags can either be collected when we meet or you may mail it to Deals and Steals Family Consignment at 37 Cotton Blossom Cove, Jackson, Tn. 38305. In order to have your \$7 participation fee to be reimbursed, you must let us know when picking up your cardstock if you plan to donate ALL items. **This is the ONLY way the \$7 participation fee will be reimbursed.** Your tags will be **Hot Pink** and ALL unsold items will become the property of Deals and Steals Consignment without question. Otherwise – your tags will be a designated color and you may choose to donate or not on an item-by-item basis.
- Describe, describe, describe. It is worth it for you to take the time to completely describe an item on the tag. Yes, we see that they are “blue jeans,” but that is not enough for us to match the card with the item should they become separated. “Old Navy Sweetheart blue jeans” is better. “Movie” is not enough. “Titanic Movie” is better.
- Please take care to cut your cards along the provided lines. It is imperative that the barcode remain in tact. Please cut above the area provided for pinning and below the price line.
- Please select the "DONATE" box if you wish to donate a particular item should it not sell.

- Please check the discount box if you want an item sold in the discount sale.
- Items with cards other than those printed **from** (MyCM) will NOT be accepted at drop-off.
- Walk-ins at drop-off will not be accepted.
- **When facing the item**, the hanger must point to the left and all tags must be secured to the top-right-front of the item **with a safety pin**. **Tags secured with straight pins will not be accepted.**
- Secure cards to large, non-clothing items with strong tape.
- Place small, non-clothing items in Ziploc bags with cards placed inside. (small toys, shoes, etc.)
- Wrap all loose items for toys in Saran Wrap.
- Adult pants need to be folded over a hanger.

Shoes:

- If possible, please zip tie, use yarn or tie shoelaces together for shoes to be place on racks. All other shoes place in zip lock bags. Hangers will be provided at drop off to push through the bag to be hung up on racks at drop off. If shoes are too large for a zip lock bag, please be prepared to place them on the floor under the correct size.

PRICING:

- Pricing is in whole dollar amounts only.
- When pricing your items, here is a tip:
- - Price to Sell – 1/4 to 1/3 of the original price is a good rule of thumb (i.e., if you paid \$100 for that smocked dress, price it at \$25-30 or LOWER if you really want to get it out of your closets). Remember, it is RESALE. Most people are looking for quality items at a fraction of the cost. Few people will spend half of the original cost for resale. The secret of the people who sell their clothing and make the most money doing it is, price your items low and sell all of them. These people usually only pick up 1/3 or less of what they consign.

Printing:

- When printing only use 1 to 2 sheets of card stock in your printer at a time. If by chance a sheet misprints, just flip it over.
- If you want us to print your tags we can do that for a charge of \$4 per set of 160 tags. Email or give us a call.

Consignors Early Shopping

Consignors may shop early on Sept. 27th from 3 p.m.- 9 p.m. A minimum of 20 items is required to consign.

DONATING:

If you notify us at the time you receive your card stock that you do not want to pick up any items that may not sell, we will refund your participation fee(s). Any left over items become the property of the Deals and Steals Family Consignment Sale.

PICK-UP :

Tuesday Oct. 1, 4 p.m.-7 p.m. sharp!

As indicated by your signature on the Consignor Agreement, any items not picked up **by 7:00 p.m.** will be donated to charity.

LOST & FOUND :

Please take time to firmly affix your tags with a detailed description.
Remember, if your items become separated from their tags, we cannot sell them.

Unfortunately, we have a number of items each season that come to our lost and found area. It is a shame when a customer sees the item and wants to buy it – but there is no tag.

Similarly, we have a number of lost tags each season. Frequently throughout the sale, we attempt to match the lost tags with any lost items. When we are successful we place your items back on the sales floor.

We can not be responsible if someone picking up for another consignor, fails to pick up all his/her items.
